

EXCLUSIVE MANOR ROYAL OFFER

FREE HOT FOOD VENDING MACHINE LOAN

Provide your staff with hot and tasty food **24/7**

Free on loan hot food vending

For the next 3 months Bon Appetit is rolling out an exclusive Manor Royal offer.

We provide a 24/7 hot food vending service with an extensive range of products including McDonalds style breakfast muffins, Greggs style pastry slices, wraps and hot meals that include 'healthier choices', vegetarian, vegan, and gluten free options.

Bon Appetit's is located in the Bell Centre off Newton Road, and because of our central location we are able to provide a special offer of 'free on loan' Hot Food Vending equipment to other Manor Royal businesses.

The service is fully managed, including restocking the machine and maintaining the equipment. This means we do all the work and you and your staff can enjoy delicious hot food 24/7.

If you would like more information and/or to arrange a free tasting please contact:
