## **/ Major Brighton Main Line Engineering works**

Network Rail are carrying out major engineering works on the Brighton Main Line from 16 to 24 February closing the line between Three Bridges and Brighton and Three Bridges to Lewes. These are essential works as part of their railway improvement plan.

No direct trains will run between Three Bridges and Brighton and Three Bridges to Lewes. 2 trains per hour will run from Brighton to London Victoria via Littlehampton with extended journey times. Replacement buses will also run.

For full details and to register for alerts, visit [www.BrightonMainline.co.uk](http://www.BrightonMainline.co.uk)

Please **check before you travel** and visit **National Rail** for live departure updates and timetable information.

## **/ Completing your journey using The Key Smartcard or KeyGo**

### **The Key Smartcard**

We have made various arrangements with other transport operators for ticket acceptance during the blockade, giving customers a range of options to complete their journey.

This includes acceptance of tickets on our Key Smartcard. Some transport operator's staff will be less familiar with The Key Smartcard, so if using non Southern or Thameslink services we advise customers to have their booking confirmation to hand which can be shown to staff as evidence of the product held. Alternatively log into your account to view live products.

## KeyGo

If using keyGo, it is important to touch in and out to begin and end your journey. In the event that you do not touch in or out, you will receive an incomplete journey notification and you should log into your online account to complete your journey.

## / Planned engineering work 18 - 24 February

### Monday 18 to Friday 22 February

#### All day

- Buses will replace trains between Three Bridges and Brighton / Lewes.
