

Gatwick Diamond Business announce BIG savings on networking for Manor Royal

In support of helping to build a stronger business community, Gatwick Diamond Business has created a special offer for Manor Royal companies to benefit from quality networking at much reduced prices.

Working with the Manor Royal BID, businesses of whatever size located in the business district can already benefit from the recently introduced **Diamond Connect Passport**, providing Manor Royal Businesses free places at gdb networking events up to 31st March 2020.

We are particularly keen to encourage Manor Royal businesses to attend, free of charge, **the gdb Members Meeting at the K2 leisure centre in Crawley on the 28th February**. This will be an ideal opportunity to find out more about the gdb networking experience. To book your space follow this link to the [Diamond Connect Passport](#) which gives booking details.

In addition, gdb is now also pleased to announce exclusive and very special first year gdb subscription rates for Manor Royal Businesses (with the option to extend to two year). Not only will this allow Manor Royal businesses form stronger links with each other but also with a host of companies right across the Gatwick Diamond membership area.

Follow this link to [gdb membership options](#) for details on the membership benefits.
