SPARKLING SPECIAL OFFER FROM GREENSTAR CLEANERS

We all want to see everyone working back in their premises safely. To this end we are offering companies on Manor Royal a first ULV Fog for free.

ULV Fogging is the most efficient and effective way to sanitise a premise; our customers have said their staff find it reassuring to work in a building that has been thoroughly sanitised.

More information can be found on ULV Fogging here:

Why not try it out for yourself? It could be because you have had a case of Covid 19 or because you want to ensure your premises is sanitised.

Contact us to book your first ULV Fog for free.
