### Message:

Here at Intercleanse, we are in a very fortunate position to be able to carry on operations, and as a company we feel it is the right thing to help out in any way we can. As a cleaning company, everyday our operatives use specialist products including respirators to carry out their job and keep us safe.

Our aim is to raise a considerable amount of money which could allow us to help our fantastic local NHS and local ambulance service. We also want to give people the opportunity to contribute to a good cause.

To get the ball rolling, our Directors David Brown and Andy Hayman have already put up £5000 and we hope to be able to double it!

We know it's difficult for us all in these challenging times, but every £1 helps.
