Suite 9, Unit F2, Sussex Manor Business Centre,  
Gatwick Road, West Sussex, RH10 9NH

DATE: 2/4/2020

### Message:

Here at The Westwood Organisation we are trying to help keep employers and recruiters informed of developments and announcements by UKVI.

There was a recent announcement on temporary changes to make right to work checks easier which are effective immediately. We are also offering to run right to work document checks for employers at no charge during this time. All the details are in our latest newsletter which is attached.
