Message:

Reassuringly here to help.

Throughout these challenging times we are providing 'business as usual' support for our clients and customers. With our team members working both remotely and at our production facility in Manor Royal, Crawley, West Sussex, RH10 9FZ.

Our agile approach will help us to continue to deliver your digital, design, print, signage, despatch and promotional requirements.

Covid-19 our work with clients and in the community.

Xpress Group have been at the forefront of official communications, working with [Public Health England](#) and our clients with rapid deployment of messaging, signage and leaflets to ensure the safety of staff and the public.

We are working with [Manor Royal Business District](#) and [Avensys](#) to keep the digital screens updated with the latest official information and creating a round table of businesses to seek new ways of how we can support each other.

How can Xpress help?

Free PDF healthcare messages:

- We can supply PDF Healthcare posters for self-printing and display in your business, office or home. ([Download the PDF pack](#))

- If you require specific signage **we can artwork and provide a digital PDF for free. Please contact studio@xpressgroup.eu or call one of our senior team on 01293 616 848** with your requirements (all requests are treated strictly confidential).

Xpress can rapidly produce and deploy the following:

- **Healthcare posters and leaflets** – for staff and customers.
- **Signage** – for company reception areas and washrooms.
- **Leaflets** – for distribution for companies delivering to their customers – menus, catalogues, brochures
- **Staff information packs** – with personalisation (if required)
- **Digital PDF brochures, catalogues, promotional materials** for managed or self-distribution
- **All our usual design, print and signage [products](#)**

Xpress are here to support you throughout these challenging times.

Working together, and to our strengths, we can all help support our businesses and communities.
