

SUSSEX WILDLIFE TRUST & GATWICK GREENSPACE PARTNERSHIP

DATE: 7/4/2020

Message:

In light of the government advice regarding COVID-19 (the Coronavirus) Sussex Wildlife Trust and The Gatwick Greenspace Partnership have cancelled all volunteer activities until further notice.

Our offices are now closed, with staff working from home. If you wish to contact us please email our corporate fundraising officer at <mailto:LouiseCollins@sussexwt.org.uk>

Sussex Wildlife Trust recognise how important nature is for our wellbeing, and will be posting regular updates for things you can do from home, or in your garden via our social media channels. Please do engage with us on [LinkedIn](#), [Facebook](#), [Instagram](#) and [Twitter](#) as we share the sights and sounds of spring.

We are thinking of all our wonderful supporters at this time, and hope you all stay safe. We look forward to rescheduling booked sessions, and booking other Manor Royal businesses onto our volunteering programme as soon as we are able.

Best Wishes and stay safe

Louise, Kevin and Tom
